

NON PERM SCIENTIFIC TECHNICIAN 2 FISH PROGRAM CATHLAMET OR KELSO

Position(s): One Scientific 2 position, Temporary

Duration: November 1 through December 31, 2009.

Anticipated Start Date: As soon as possible

Salary : Range 36, \$2370.00 to \$3135.00 monthly

Location: Work station will be Cathlamet or Kelso, depending upon residence location of staff hired.

Working conditions:

The standard workweek is Sunday thru Saturday. Successful candidates must be willing and able to walk stream banks and stream beds over wet and slippery terrain for several miles per day in cold and inclement weather.

Responsibilities include:

Conducting surveys of spawning chum salmon in Washington tributaries of the lower Columbia River.

Qualifications:

Graduation from high school or GED, including one year of high school science. Previous spawner survey experience, proficiency in adult salmon ID, and experience operating small pontoon rafts would be preferred. The positions will have official duty stations in either Kelso or Cathlamet.

Candidate must also have a valid driver's license.

Send a resume or cover letter that focuses on pertinent experience and background and include at least 3 professional references. Email the resume and a cover letter outlining qualifications and interest to Pat Hulett at Patrick.Hulett@dfw.wa.gov by **5:00 p.m. on November 6, 2009.**

Please pass this on to any interested individuals that may not have access to the Intranet.
